Recreational Teacher

I will be teaching recreational classes this year in all styles to all age levels. I have been part of a Tiffany and Company Studio of Dance from the beginning as a dancer, then an assistant, then a teacher! I love to share my passion for dance and being creative with all my dancers of all ages. I am married and a stay at home mom with a sweet and sassy one year old Scarlett who is always on the move. I am excited for another season filled with fun and learning!
