

## **West Winling**

Company Teacher/Choreographer

I began my dance journey at Tiffany & Co. Studio of Dance. I trained at Tiffany & Co. from ages three to eighteen and my passion for the art form continues to grow everyday! Throughout my time training under the amazing staff, I learned how to carry myself, how to care for others, and most importantly, how to truly love dance. I attended conventions and competitions across the country and was blessed to receive numerous awards and scholarships. Because of these opportunities that Tiffany & Co. provided and trained me for, I was able to backup dance for Now United and Todrick Hall. I was on the Electric Blue Dance Team at Carroll High School for all four years of high school and was a captain from my sophomore to senior year. I began instructing recreational dancers at Tiffany & Co. at age fourteen. I now also choreograph and teach company dancers. I am fortunate enough to attend Eastern Michigan University on an academic scholarship. I am majoring in Special Education and minoring in Dance. I have completed two years on the Eastern Michigan Dance Team receiving two national titles and am now entering my third year as a captain on the team. I also coach a middle school dance team in Michigan and have instructed at Dancers Edge in Dexter Michigan. I am grateful for the opportunity to pass my passion for dance down to the next generation. Tiffany & Co. opened my eyes to what dance can do for young learners. Being able to watch these dancers continue to grow is an absolute dream come true!
